

Sample of a self-introduction

Self-introduction as a kid

A good introduction is a skill or art that your children can use for the rest of their lives. Children may feel embarrassed or shy because they fear they will say or do the wrong thing by which other kids may make fun of them and mock them in the future. So, by teaching your children introduction skills, you will empower them with confidence when meeting someone new and make them confident in their lives ahead.

My self for kids

Self introduction in english for job interview

Expectation of employer

An employer might take multiple interviews throughout the day for recruitment. So, to be considered in that rush, Your professional introduction should convey your unique experience and qualifications so you stand out from other candidates. Experiencing an introduction that sounds different from previous ones directs your employer’s attention towards you and tends to make it more memorable and consequently to get you the job.

Parts of an introduction

Tell about yourself i.e. name, area of studies

Area of your specialty

Why you chose that area (involves your background as a student)

Wrap up with your objectives with their company and your job title

Sample of a self-introduction for job
